RAIN BARRELS

The Town of Zebulon has 80 gallon rain barrels available for purchase to help conserve water. These are the same rain barrels offered by the City of Raleigh. The barrels are produced in Waxhaw, NC and contain 20-25% recycled resin. If you would like to purchase a barrel, please come to Town Hall at 1003 N. Arendell Avenue. Once payment is received, the Public Works Department will deliver the barrel to your home.

- 80 Gallon Barrel - \$90.00
- 38”H x 28”W
- Includes faucet, two overflow valves, two screws to secure the lid, built in screen in the lid, and instructions.
