

Zebulon Yard Waste & Leaf Collection

The Town of Zebulon collects leaves and yard waste from town residences on an alternating weekly schedule. The calendar indicates the zone that will be serviced each week. Please refer to the map to determine the zone in which you live.

Please place your yard waste at the curb by the Sunday before your collection week.

Yard Waste Tips

Do not bag yard waste.

Do not mix yard waste with other trash or items.

Make 1 pile for loose leaves/grass clippings and a separate pile for limbs and woody debris. They are collected by separate crews on different trucks, and mixing woody debris with leaves can damage the leaf truck.

All yard waste & leaves should be placed behind the curb, out of the road. Place piles away from guy wires, low overhead power lines, telephone poles, cable boxes, parked cars, and other objects.
